Accreditation

For FFELP purposes, Tel Aviv University is registered with the Department of Education (Title IV Code 008373-00 or electronic G08373). In Israel, Tel Aviv University is accredited by the Department of Education and the Council for Higher Education.

Early Departures Rules and Regulations

Early departures prior to noon on May 23, 2019, WILL NOT BE APPROVED. It may be possible to approve in some rare cases for students whose home university Summer Semester overlaps with the Tel Aviv University Spring Semester schedule. In these cases, proof of the overlap and written approval from the home school is required. An explanatory formal letter from the student is required as well. All documents will be examined by the Academic Committee to be formally approved. In case of early departure, the student's formal letter

will be forwarded to his school with the transcript. If a student departs early without receiving an official approval from the Academic Committee, his/her absence will be reflected in his/her final grade.

Please note that an approval can only be given by the TAU International Academic Committee (request must be submitted through Yael Gazit at yaelga@tauex.tau.ac.il). **An early departure or early exam approval cannot be given by the course professors.**

Academic Requirements

Students **must** participate each semester in 5 courses (approximately 15 semester credits). The requirement can be satisfied in the following way:

1. Four content courses + a language course (Hebrew or Arabic) for a total of 5 courses
2. Five content courses

There are only two exceptions to the above: 1) Students enrolled in the Fall-only Internship Program take a total of four courses due to the intensive nature of the internship requirement for a Fall-only program. Students enrolled in the Full Year or Spring Internship programs must take 5 courses. 2) Students enrolled in a service learning course worth 6 credits are allowed to take a total of 4 courses due to the intense nature of the service learning requirements.

Attendance is **mandatory** in all of the courses. Missing classes will be reflected in the final grade of the course. Up to three justified absences from classes will be accepted (for example: emergency matter or illness, both of which will require a doctor's note). Such cases of absence should be reported to your lecturer immediately.

Students are required to arrive on time for classes. Teachers are entitled to treat any single case of lateness and/or repeated lateness as an unjustified absence.

Please note that according to TAU Academic Policy, if a student's behavior or attendance during the semester is disagreeable his/her course participation may be cancelled.

Students are advised to register to more than the required 5 courses but not more than 7 courses. Students will be allowed to delete courses from their schedules (but not add) prior to *March 4, 2019*. Most courses will be given 4 hours per week, (two hours, twice a week), in most cases 3 credits each course. If a course is worth more or less than 3 credits, it will be noted on the web site where courses are listed.

Course Selection

Students can view available Spring 2019 classes on the TAU Study Abroad web site, including the times and days these courses are offered: <https://international.tau.ac.il/node/553/?tab=4>. Current syllabi can be downloaded from this web site. Please note that all courses and course times listed here are subject to change.

Registration Procedure

1. You will be emailed a link to the Course Registration Form when it comes time to register the week of January 28, 2019. The registration form must be filled out online by **FEBRUARY 4, 2019**. Students are advised to register right away as courses are first come, first serve in terms of enrollment.
2. Students are responsible for entering the correct information on the registration form (Personal Information, Name, Passport Number, Student Number, etc.).
3. Deadline for class changes and finalizing schedule: *Monday, March 4, 2019*.

Note: students are advised to register to more than the required 5 courses but not to more than 7 courses. Students will be allowed to delete courses from their schedules within the designated drop period – but in most cases will not be allowed to add which is why we advise registering to more than students intend to take.

Course Availability

Course registration is first come, first serve so students are advised to register as soon as possible after receiving the course registration link via email. Due to reasons of both course integrity and physical space limitations, there are sometimes enrollment caps placed on course enrollment for certain courses. Course registration is monitored via the time stamp on the submitted form; students will be notified if they did not receive their first choice courses selected and in this instance they must choose an alternate course. In these cases, students may be placed on a course waiting list if desired.

Hebrew Courses After Ulpan

If you are interested in continuing to take a Hebrew course as one of your semester classes, please note that registration for the Semester Hebrew courses will be done by your Hebrew teacher during the last week of the intensive Ulpan. Students who are registered for Hebrew classes cannot transfer from one Hebrew class to another without first consulting with the Hebrew Department (see Hebrew class regulations). Note that not all levels of Hebrew are offered during the semester; it will depend on student enrollment numbers.

Regular Courses Taught in Hebrew at TAU

Students whose Hebrew is good enough (through a minimum of Level 8/Hey Plus) and choose to take courses at the regular university, must complete a special registration form available at the end of this booklet (External Registration Form), in addition to the TAU International's registration form. For the schedule of these courses please click [here \(Hebrew\)](#). If a student decides to drop the course/s, it is extremely important that the academic office be notified. Failing to do so will result in "F" (fail) being recorded as the course grade. Students should note that the regular university semesters have different dates than study abroad. Please indicate on any test or paper taken at the regular university that you are a student of TAU International.

NOTE: STUDY ABROAD STUDENTS ENROLLED IN REGULAR TAU COURSES CANNOT TAKE EXAMS ON DIFFERENT DATES THAN ISRAELI STUDENTS, NOR WILL THEY BE ALLOWED TO LEAVE THE PROGRAM EARLY. STUDY ABROAD STUDENTS REGISTERED TO REGULAR TAU COURSES WILL NOT BE ALLOWED TO EXTEND THEIR STAY IN THE DORMS PAST THE STUDY ABROAD SEMESTER END DATE.

Withdrawal from Courses

For students who drop a course after *Monday, March 4, 2019*, (W) Withdrawal will be recorded on the final transcript.

Pass / Fail Grading Option

Students may register for one course on a Pass/Fail basis. Students are required to choose the desired grading system within the first six weeks of attendance, and to report this decision to the study abroad academic secretary.

- Final Date for informing the office of your P/F choice is *Thursday, March 28, 2019*. Forms are available in the TAU International Office.

Universities have different policies about the acceptance of Pass/Fail grades. Students must consult with their home university advisors regarding the acceptance of Pass/Fail grades instead of letter/number grades. Home schools may have different policies and deadlines for Pass/Fail grades and the ability to transfer these back to the home school.

Once a Pass/Fail grade is entered into a student's record at TAU, it cannot be changed to a letter grade, and vice versa.

Incomplete Courses

Students who fail to complete any of the course requirements, (papers, exams etc.,) during the period of instruction and/or the given deadline for the submission of a final exam (in cases of take-home papers or exams), will have an (INC) Incomplete recorded on their transcript. It is the responsibility of the student to notify both the professor and the TAU International Office of the reason for the incomplete and the estimated date of completion. If the professor and the Academic Committee agree, a student may go on to complete the course requirements after the semester; the incomplete grade (INC) will be changed accordingly. The time limit for satisfactory completion of course requirements will be set by professor together with the Academic Committee.

Grading System

The following is the grading system of Tel Aviv University International:

A+ = 97-100%

Students in the program are expected to act with integrity and honesty and hold their fellow students to the same standard. As such the school and university administration will not under any circumstance tolerate cheating, plagiarism, fabrication, aiding and abetting dishonesty, falsification of records and official documents or any other act which could compromise a student's academic integrity.

Plagiarism: Submitting material that in part or whole is not entirely your work without attributing those same portions to their correct source.

Cheating: Using unauthorized notes, study aids or information from another student, student's paper, or student's electronic equipment (including but not limited to: phones, computers, and blackberry's) on an examination; altering a graded work after it has been returned, then re-submitting the work; allowing another person to do your work and submitting that work under your name; or submitting identical or similar papers for credit in more than one course without getting prior permission from the course instructors.

Fabrication: Presenting data in a piece of work that was not gathered in accordance with guidelines defining the appropriate methods of collecting or generating data and failing to include a substantially accurate account of the method by which the data was gathered or collected.

Aiding and Abetting Dishonesty: Providing material or information to another person with knowledge that this material or information would be used improperly.

Falsification of Records and Official Documents: Altering documents affecting academic records; forging signature of authorization or falsifying information on an official academic document, grade report, or any other document designed to ensure that a student meets or gains exemption from a program or university regulation.

Should a student violate the Code of Honor, the administration will review their case. This may lead to termination from the program, and expulsion from Tel Aviv University.

Right to Appeal

Students have the right to appeal the results of a written examination or paper within two weeks from the day the papers or exams are returned. If there has been no appeal during that period, the grade is final. In addition, students have the right to appeal a final course grade within two weeks from the day the final grade is given. If there has been no appeal during that period, the grade is final. To understand more about the appeals process, please contact Yael Gazit at yaelga@tauex.tau.ac.il.

If you are interested in taking these courses, please first discuss with the TAU International Office Academic Coordinator Yael Gazit to understand the final class and exam dates and the possibilities for these courses.
