## ABOUT TEL AVIV UNIVERSITY

**Tel Aviv University (TAU), Israel's largest and most comprehensive institution of higher learning, is home to over 30,000 students studying in nine faculties and over 130 schools and departments across the spectrum of sciences, humanities, and the arts.**

Consistently ranked in the world's top 20 for scientific citations and among the top 100 universities internationally, Tel Aviv University is also Israel's first choice for students, with its graduates highly sought after by Israeli companies.

Situated in Tel Aviv, Israel's cultural, commercial, and creative center, TAU shares the Mediterranean city's spirit for non-stop discovery, innovation, and community, making it the perfect place for learning and pursuing your passions.

# ABOUT THE LOWY INTERNATIONAL SCHOOL

**At Tel Aviv University,  
learning happens everywhere.**

Tel Aviv University is home to over 2500 international students from nearly 100 countries, making it truly international and global.

Thousands of talented students study here in over 60 English-taught programs—from a summer, semester, or year abroad, to full Undergraduate, Graduate, and PhD degrees.

Our curriculums are facilitated by Israel's leading faculty and experts and are enhanced by hands-on workshops, professional internships and excursions throughout the country.

## Student Life

Student life at The Lowy International School extends beyond the classroom, where students can immerse themselves in a dynamic setting of Israeli and campus life. Our Community Leaders support students throughout their journey at TAU and empower them to develop their initiatives. This includes orientation on student arrival as well as an impressive range of extracurricular and cultural activities.

## TEL AVIV THE NONSTOP CITY

Tel Aviv, Israel's largest metropolitan area, serves as a hub for innovation, culture and creativity.

*Tel Aviv Nonstop City* is more than just a slogan. With the city's beautiful beaches, diverse cultural scene, top-notch cuisine, and vibrant nightlife, there's always something to see and do here.

The city serves as a meeting point between old and new, a mosaic that reflects tradition and history while embracing innovation, pluralism and diversity. It is vibrant, full of life, and provides an endless opportunity for discovery.

*"The MA provided me with theoretical materials and hands-on practical experiences... [I had] the chance to work alongside and learn from practitioners in my field of interest. It was an experience I couldn't have had at almost any university."*

Connor Israel, USA  
MA Conflict Resolution & Mediation

*"Consumer insights was one of my favorite classes of the MBA. We had a lot of hands-on classes where we did projects, working from the beginning of an idea to the execution of it. It was a very intense year, but it was also very rewarding."*

Orly Margulis, Venezuela  
Sofaer Global MBA
