ABOUT TEL AVIV

Tel Aviv is an incredibly vibrant and exciting city that has so much to offer! Whether you are interested in fashion, music, art or technology, you will feel yourself immersed into the Tel Aviv culture. With Tel Aviv University being only a quick ride away from the city, you can attend a new museum opening or visit your favorite pub on the beach. Whether you are traveling in Tel Aviv or around the country, there are various ways of accessible transportation including trains, buses, bike rentals and cabs. Tel Aviv is centrally located in Israel, giving students the opportunity to enjoy the fast pace city life, while only being an hour away from gorgeous hikes in the north. Pack your sunglasses and sandals and get ready for an experience you will never forget!

特拉维夫大学 外交与安全项目硕士 2014-2015
南京大学 国际政治本科 2010-2014

MA IN MIDDLE EASTERN STUDIES

This program is designed for international students interested in careers pertaining to the Middle East in the fields of journalism, diplomacy, government, policy research, and advocacy/activism. Students are provided with an invaluable opportunity to acquire an in-depth understanding of the political, social and economic dimensions of the region, from within. The program combines theoretical and practical knowledge through a broad array of courses, optional language study, five study trips throughout Israel, and internship and publication opportunities through our affiliate research center, The Moshe Dayan Center of Middle Eastern and African Studies.

Qualified students may elect to enroll in the optional thesis track. Students who take advantage of the thesis track take their first step into the rigors of academic life during the thesis year, developing their expertise in their topic of interest under the supervision of seasoned scholars.

MA IN GLOBAL MIGRATION AND POLICY

Migration Studies offers an interdisciplinary and comprehensive look into the world of migration from a global and local perspective. It is the only university program focusing on migration in Israel. The aim of this program is to give students the theory, tools and experience firsthand to pursue careers in various fields including public policy, international affairs, politics, research, academia, and non-profit. Students have the opportunity to work in the field of migration through an internship component.

Thesis track available for outstanding students

MSC IN PLANT SCIENCES WITH AN EMPHASIS ON FOOD SAFETY & SECURITY

The 18-month program in Plant Sciences offers a combination of interdisciplinary academic research with hands-on agricultural experience, in collaboration with the Arava International Center for Agriculture Training (AICAT). The program provides students with academic knowledge from leading faculty, opportunities to gain practical skills and the tools to be a part of creating a sustainable future. Studies are held both in the Tel Aviv and the Arava campus, located in Israel's largest Agricultural region. The program includes an intensive summer semester focused on Food Safety and Security. The program is open to outstanding students from developing countries, and offers scholarships for qualifying students.

MA IN POLITICAL SCIENCE AND POLITICAL COMMUNICATIONS

The Program is a high-quality graduate program that focuses on the dynamics and complexities of politics in the global age. The Political Science Department stands out in the study of political theories, political leadership, political communication, electoral systems and behavior and is the home of the Israel National Election Studies.

Educational tours guided by top specialists are incorporated into the curriculum. Students meet with political leaders, prominent journalists and election specialists while visiting Israel's governmental, parliamentary and media institutions among other sites of interest.

MA IN SECURITY AND DIPLOMACY

The program provides advanced knowledge and analytical tools for the study of strategy, diplomacy, decision-making and the shaping of security and foreign policy. The outlook of the program is global, with a special focus on Israel and the Middle East. At the practical level, the program prepares students for engagement in the international arena, defense bodies, international organizations (both governmental and NGOs) and international economic organizations. The curriculum includes security field trips to Israel's various borders, defenses and government offices, a series of meetings with Ambassadors, and a Middle East Crisis Simulation.

Thesis track available for outstanding students

MA IN SOCIAL WORK – CRISIS AND TRAUMA STUDIES

The program is offering students to learn about impacts of and coping with major life crises, natural disasters, political violence, and other high stress situations. The program is intended to provide students with in-depth knowledge in the area of trauma.

Israel is a living laboratory for research and practice in stress, crisis, and trauma. Over the years, Israeli scholars and practitioners have developed considerable knowledge and models of intervention in these areas. Our academic staff has been at the forefront of these developments.

THE PARASOL FOUNDATION TRUST INTERNATIONAL LL.M.

TUITION: \$20,000

CONTACT:
studylaw@tau.ac.il

This program attracts outstanding law students to study and collaborate with Israel's elite legal academia, students and legal professionals. Nearly 50 classes, taught entirely in English, explore contemporary challenges to law that stem from processes of globalization, the Israeli legal and social systems, the complexities of the Middle East region and the technological and entrepreneurial dynamism of the "Start-up Nation." The 10-month program provides numerous opportunities for networking and professional development. LL.M. candidates will be eligible to apply for conditional admittance to the PhD Program at the Faculty of Law, following the successful completion of the LL.M. degree.

"The program is not only theoretically rigorous but also teaches real-world applications. The mixture of theory and practice gives us the skills necessary for making real impact in research or a future professional career."

Aramis Kincino, Mexico, MA in Political Science and Political Communication

SOFAER INTERNATIONAL MBA
