## HOUSING

Modern student dormitories are conveniently located within walking distance of the university campus. The Einstein dormitories feature one and two-bedroom furnished suites with a private kitchenette and bathroom. The Broshim dormitories feature studio rooms, which are available for international graduate and post-graduate students. Students can also choose to live in private apartments in Ramat Aviv or in downtown Tel Aviv. Several shopping centers and many inexpensive dining options are located in close proximity to the university and dormitories.

## SAFETY AND WELLBEING

Student safety is our highest priority. Like all public institutions in Israel, TAU employs a network of security personnel covering all campus entrances and patrolling 24 hours a day. The university's security department maintains close contact with government security agencies, and international students are regularly updated on security matters by TAU International staff.

## HEALTH AND COUNSELING

The welfare of all students is extremely important to TAU, and health insurance is included in the cost of tuition. The basic health insurance plan covers medical treatment and psychological counseling within Israel, with a large selection of English-speaking doctors.

## CAMPUS EVENTS

TAU's campus hosts events every day, from concerts and film screenings to guest lectures, panel discussions, farmers' markets, professional and academic conferences, and innovation and tech events.

## PEER SUPPORT AND BUDDY SYSTEM

Madrichim are Israeli student-counselors who live on campus, and are trained to provide guidance and lead activities for international students. A popular program, the TAU Buddy System, is also organized by the Student Union located on campus.

## TRIPS AND SOCIAL ACTIVITIES

All trips and social activities are offered to students in the international school. Make sure to take advantage of all the hikes, weekend trips and evening events!

## DISCOVER TEL AVIV

Tel Aviv, the city that never sleeps, provides endless activities through its vibrant music, theater, arts, and culinary scene. Immerse yourself in the innovation and technology of Tel Aviv, which is home to over 600 start-ups, the highest density of start-ups per square kilometer in the world. Hop on a city rental bike located on campus, and within minutes access the center of the city, the Mediterranean Sea, and all that Tel Aviv has to offer.
