Advisor/s name/s: _____

Thesis title: _____

The library for _____ at Tel Aviv University (hereafter: "**the library**") serves as the Depository Library for masters' degree theses done in the Faculty of _____.

I am aware that as a rule, the master's degree thesis will be uploaded to the digital repository immediately upon its delivery to the library and will be accessible to all Internet users in Israel and throughout the world.

Notwithstanding the above, I would like to restrict access and/or delay the upload of my thesis to the digital repository, as indicated in the table below.

Please mark X only in the appropriate place and circle the requested duration.

	Access available to
	Anyone interested in Israel or throughout the world – after a year / after two years / after three years.
	Anyone interested in Israeli universities only – immediately / after a year / after two years / after three years.
	Anyone interested at Tel Aviv University only – immediately / after a year / after two years / after three years.
	The thesis will be preserved at the library and will be digitally accessible on the library premises only.

Note: In the event that you have not marked an X in a particular place, it will be considered as approval for immediate publication of the thesis in the digital repository accessible to all Internet users.

I hereby deposit a **complete** copy of the thesis in digital format in the library, and this copy is identical to the printed version.
