Administration Education
and Training

Courses

The undergraduate program offers around 15 courses taught in English per semester. In addition, exchange students at FGV EBAPE have the option to enroll in up to two courses in other FGV schools, such as Law and Economics.

Students who wish to enroll in courses taught in Portuguese will be accepted as long as they have at least a B2 level in the language, except for native speakers.

WORKLOAD

Each undergraduate course is worth 4 ECTS, and each master's course is worth 5 ECTS. Students may enroll in up to 30 ECTS, and there is no minimum number of courses they are required to take.

Classes are composed of both Brazilian and international students, as well as the FGV EBAPE faculty, which currently consists of 80% international professors.
