

RESEARCH FELLOWSHIPS

FOR OUTSTANDING INTERNATIONAL STUDENTS

Tel Aviv University invites outstanding international students pursuing a Master's or Doctoral research degree abroad to apply for an exciting fellowship opportunity for 2026.

As part of the program, scholarships will be allocated for visits of one to six months for 10 to 20 research students from distinguished institutions abroad.

Each scholarship will be funded in the amount of 5,000 to 30,000 NIS, depending on the length of the visit and the degree level.

Ministry of Innovation,
Science & Technology

Eligibility Criteria for the Fellowship:

- ▶ Master's/PhD student at an accredited institution abroad
- ▶ Completed at least one year and currently working on thesis/dissertation
- ▶ Non-Israeli citizen or resident
