TEL AVIV YOUTH UNIVERSITY

COME TO TEL AVIV THIS SUMMER FOR THE SCIENCE AND INNOVATION INTERNATIONAL CAMP

SUMMER STUDY PROGRAM FOR HIGH SCHOOL STUDENTS GOING INTO THEIR SOPHOMORE, JUNIOR, OR SENIOR YEAR

SUMMER
2017

CAMP DATES:
4.7.17 – 14.7.17

During this unforgettable summer, high school participants will be co-living with Israeli students while taking courses and immersing themselves into the Israeli culture. They will explore innovative research and academics at Tel Aviv University, have exciting site visits, amazing trips filled with memorable experiences and lifelong friends!

Courses are taught in English by Tel Aviv University instructors, who are passionate about various topics such as cyber security, nanotechnology, medicine, genetic engineering, physics and lasers, neuroscience, psychobiology, and more.

The classes are creative, interactive and pragmatic. The courses are designed as open-ended exploration of current ideas in various topics at the forefront of research. All, will expose the students to various fields of study and would stimulate them towards their academic future.

Tel Aviv Youth University will issue an official certificate for the completion of the program.

THE DAY WILL BE DIVIDED INTO THREE PARTS:

- **Academic courses:** The day will begin with students participating in academic courses from different scientific fields. A few examples of the subjects offered include:
 - Physics
 - Cyber Security
 - Medicine
 - Microbiology
 - Astronomy
 - Space Research
 - Psychology
 - Communications
 - Entrepreneurship
 - Innovative thinking
 - Sustainability
- **Trips and excursions** to high-tech companies and advanced research labs, including StarTAU – the biggest enterpriser center in Israel.
- **Enrichment and Social Activities:** The final part of the day is dedicated to enriching the student's general knowledge of Israeli culture, music and art. Students can look forward to fun activities including Israeli dance, falafel dinners and movie nights.
