SUMMER ACADEMIC PROGRAMS

UNDERGRADUATE ACADEMIC TRACKS

Our Academic Summer sessions offer students a diverse option of courses from different disciplines and faculties. Students have the opportunity to customize their experience by choosing two courses per session. Students can apply for each session individually or to both sessions combined for a discounted rate.

UNDERGRADUATE FIRST SESSION

TUITION: \$3,000

June 17–July 16, 2015

This session offers a wonderful opportunity for students to broaden their knowledge of Israeli technology and entrepreneurship, issues concerning cyber security, politics, the Middle East and Israel. Students can either choose a track or pick and choose classes of their interest such as:

BUSINESS ENTREPRENEURSHIP IN THE START-UP NATION

- Business Entrepreneurship: Israel as a Case Study (3 credits)
- Entrepreneurship from A-Z (3 credits)

CYBER SECURITY IN THE START-UP NATION

- Fundamental Technologies of Cyber Systems (3 credits)
- General Introduction to Programming (2 credits)

MIDDLE EAST AND ISRAEL STUDIES

- Radical Islamic Movements (3 credits)
- History and Memory in Tel Aviv-Jaffa (3 credits)

UNDERGRADUATE SECOND SESSION

TUITION: \$3,000

(\$2,000 if combined with First Session)

August 2–27, 2015

This session will expose students to the quality of Israeli technology, proven creativity, innovation, and many important aspects that are shaping the Middle East and challenging Israel.

BUSINESS ENTREPRENEURSHIP IN THE START-UP NATION AND THE CHANGING MIDDLE EAST

- Business Entrepreneurship: Israel as a Case Study (3 credits)
- The Strategic Revolution in the Middle East (3 credits)

RESEARCH PROGRAM IN BIOLOGICAL AND NEURO SCIENCES

TUITION: \$1,000

June 22–August 13, 2015

Students join a biology and/or neuroscience laboratory or theoretical research project under the supervision of an experienced scientist while becoming full-fledged members of the scientific team.

This program is also open to graduate students. Please refer to our website for list of labs.

ADVANCED SUMMER PROGRAMS

These advanced programs offer unique insight into a particular discipline. Classroom study is enhanced with site visits and activities relevant to the field of studies. The programs are open to graduate students as well as professionals.

ADVANCED EPIDEMIOLOGY AND PREVENTIVE MEDICINE

TUITION: \$900 (2 CREDITS)

CONTACT: summersph@tau.ac.il

July 12–24, 2015

FOOD SAFETY & SECURITY

TUITION: \$900-1,200 (3 CREDITS)

CONTACT: foodsecurity@tau.ac.il

July 5–24, 2015

“TAU is beautiful in terms of its infrastructure as well as its teaching. The professors are very friendly and they reach out to everybody in class- Israel is a wonderful country to be in and it is the Start-Up Nation by all means. I am extremely glad to have chosen this institution for my study abroad experience.”

Surya Seetharaman, India, Summer Session: Cyber Security

The summer of 2015 is composed of two different sessions that can be taken individually or combined. Students who choose to combine sessions are entitled to a discount on the overall tuition:

- Combination of two academic sessions: tuition discount of \$1,000.
- Combination of an academic session with a language session or two language sessions: tuition discount of \$450.

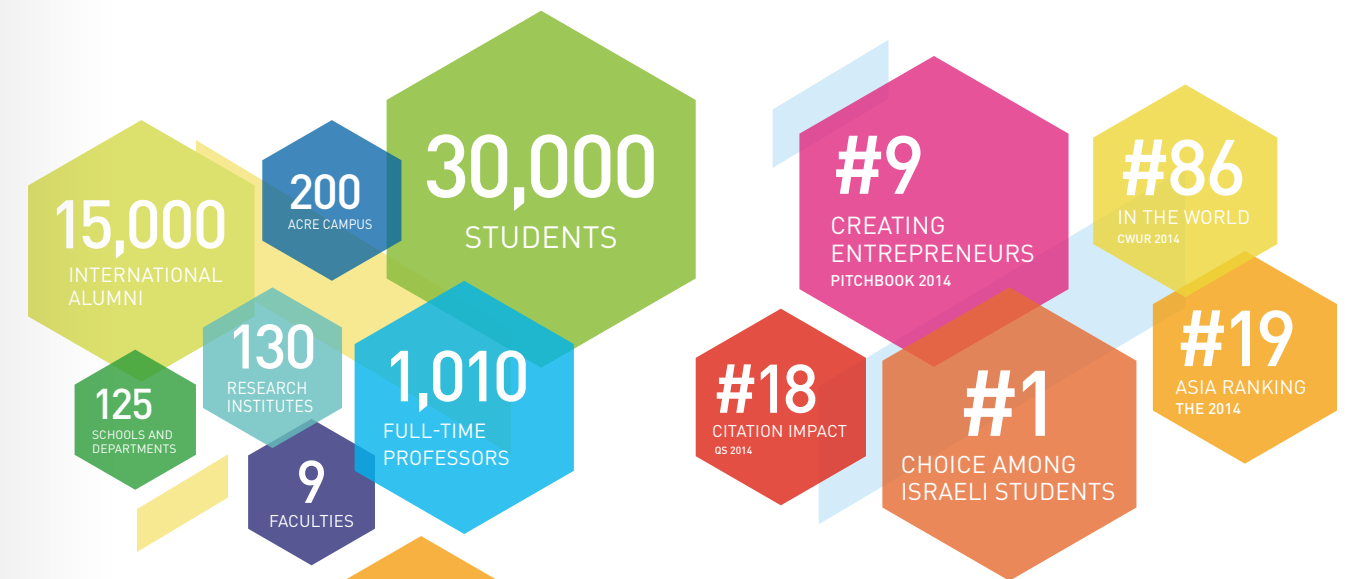

STUDENT HOUSING

Students participating in TAU International Summer Programs are eligible to live in our Einstein dormitories, adjacent to campus. Suites are divided into two bedrooms shared by two students per bedroom. Each apartment is furnished and includes a kitchenette and bathroom.

- Housing is \$800 per month.

For updated information, dates, and prices please refer to our website.

THROUGH **TEL AVIV UNIVERSITY INTERNATIONAL**, STUDENTS ARE OFFERED A BROAD SELECTION OF ENGLISH-TAUGHT SUMMER PROGRAMS SUCH AS UNDERGRADUATE COURSES AS WELL AS INTENSIVE LANGUAGE PROGRAMS.

ABOUT TEL AVIV UNIVERSITY

Tel Aviv University is Israel's largest and most comprehensive university, attracting talented students and renowned faculty from around the globe. Ranked among the world's top 100 universities, the university has a strong interdisciplinary focus and collaborates closely with leading institutions worldwide. The campus is located in Tel Aviv, the financial and technology capital of Israel – which is known for its entrepreneurial atmosphere and large number of start-up companies. With the growth of high-tech industries, the Tel Aviv metropolis has become an international hotspot for business and innovation – an ideal setting for an enriching study experience.

ABOUT TEL AVIV UNIVERSITY INTERNATIONAL

TAU International programs are designed for students who are eager to challenge themselves with an intensive academic schedule. Programs combine classroom learning, field trips, overnight excursions, social events, and much more. Students also gain real-world professional expertise through internships, guest lectures, and workshops with some of Israel's leading experts. A global hub on campus, the TAU International office is the international students' home during their time in Tel Aviv.

STUDENT SERVICES

HOUSING

Modern student dormitories are conveniently located within walking distance of the university campus. The dorms are composed of two-bedroom furnished shared suites (4 people per suite) with a private kitchenette and bathroom.

SAFETY AND WELLBEING

Student safety is our highest priority. Like all public institutions in Israel, TAU employs a network of security personnel covering all campus entrances and patrolling 24 hours a day. The university's security department maintains close contact with government security agencies, and international students are regularly updated on security matters by TAU International staff.

HEALTH AND COUNSELING

The welfare of all students is extremely important to TAU. The basic health insurance plan, which is included in the cost of tuition, covers medical treatment and psychological counseling within Israel, with a large selection of English-speaking doctors.

PEER SUPPORT

Madrichim are Israeli student-counselors who live on campus and are trained to provide guidance and lead activities for international students.

CAMPUS HIGHLIGHTS

- Wireless internet access throughout campus
- Computer labs and printing services in every department and library
- Sports center including Olympic-size pool, tennis and basketball courts, running track, soccer stadium, and fitness facilities
- Bookstore, bank, coffee shops, restaurants, and cafeterias on campus
- Tel Aviv's largest public park within walking distance
- City bicycles to rent on and around campus

WHY STUDY AT TAU?

- TAU is ranked among the world's top 100 universities and is the largest university in Israel
- Study entirely in English with renowned academics and experienced professionals in your field
- Comprehensive student support and extra-curricular programming
- Classwork enriched by real-world experience
- Spend your free time in the cosmopolitan capital of the Middle East – beaches, shopping, and nightlife are right around the corner
- International programs with students from all over the world
