

EMPH Program in Disaster & Emergency Management
Eligibility Criteria for Reduced Fees Scholarship

Candidates for the program will be eligible for a scholarship in the form of reduced tuition fees when they enroll into the program if they hold citizenship and reside in one of the countries listed in the annex.

General terms & conditions:

- The scholarship is fixed on 2,000 USD;
- Only students meeting the above mentioned criterion and who paid all tuition fees (minus 2,000 USD) are eligible for the scholarship;
- If, for any reason, the student will not pay the full tuition fees (minus 2,000 USD) by the time he/she finish their studies in the program, he/she will be regarded as not eligible for the scholarship. Such student will be regarded as if he/she are required to pay the full tuition fees.
- If, for any reason, the student will not complete his/her studies in the program, he/she will have to pay the dropout balance from the full tuition fee, as if they did not receive a scholarship at all.
- The program reserves the right to cancel the scholarship program and/or make any changes in the above mentioned criteria and terms.
