Study Abroad Academic Calendar

The Study Abroad Fall Semester (including the mandatory Ulpan) runs from August 4, 2019 (Arrival Day) to December 20, 2019 (Final Check Out Day). A comprehensive and up-to-date calendar – including holiday breaks, etc. - [can be found here](#). You are responsible for viewing this calendar regularly and adhering to the posted dates.

Early Departures Rules and Regulations and Exams

Early departures prior to the last class day of December 19, 2019, WILL NOT BE APPROVED. In addition, TAU is never allowed to give a scheduled in-class exam on a different date than planned – this is the case for all types of courses and in-class exams whether it's a STEM course, BA course or Study Abroad course.

In cases where an in-class exam is not a factor, it may be possible to approve an early departure in some rare cases for students whose home university Spring or Summer Semester overlaps with the Tel Aviv University Fall Semester schedule (**but again, not in the case of granting an early or late in-class exam – these can never be changed and are excluded from this exception**). In these cases, written proof of the overlap, written approval from the home school, and proof of enrollment in the overlapping home school course is required. An explanatory formal letter from the student is required as well. All documents will be examined by the Academic Committee to be formally approved. In case of approved early departure, the student's formal letter will be forwarded to his school with the transcript. If a student departs early without receiving an official approval from the Academic Committee, his/her absence will be reflected in his/her final grade.

Please note that such approval can only be given by the TAU International Academic Committee (request must be submitted through the TAU Academic Team at tauacademic@tauex.tau.ac.il). **An early departure approval or an alternate exam time/date cannot be given by the course professors.**

Academic Requirements

Students **must** participate each semester in the mandatory Hebrew Ulpan (unless exempt) which carries 4 semester credits plus 4 semester courses which carry approximately 12 semester credits. This means that an average student in fall semester could earn approximately 16 semester credits during their time at TAU. The majority of Study Abroad courses are worth 3 semester credits; Hebrew courses are 4 semester credits and Service Learning courses are 6 semester credits. **It is not permitted to take fewer than 4 semester courses**

for any reason; however, if a student wishes to enroll in an additional 5th course this is allowed at no extra cost.

Attendance is **mandatory** in all of the courses. Missing classes will be reflected in the final grade of the course. Up to three justified absences from classes will be accepted (for example: emergency matter or illness, both of which will require a doctor's note). Such cases of absence should be reported to your lecturer immediately and again, a doctor's note is required.

Students are required to arrive on time for classes. Teachers are entitled to treat any single case of lateness and/or repeated lateness as an unjustified absence.

Please note that according to TAU Academic Policy, if a student's behavior or attendance during the semester is disagreeable his/her course participation may be cancelled at the discretion of TAU.

Courses Offered

Students can view all available Fall 2019 classes on the [TAU Study Abroad courses web site](#), including the times and days these courses are offered. Current syllabi can be downloaded from this web site. Please note that all courses and course times listed there are subject to change.

Registration Procedure

All students will be asked to complete a Pre-Registration Form prior to arrival; this form will be emailed to accepted and confirmed students a month prior to arrival. This form is required in order for us to gauge course enrollment but is not a final registration – official registration happens on-site as described below.

After the mandatory academic orientation, students will be emailed a link to the Course Registration Form. The registration form must be filled out and submitted online by the given deadline. Students are advised to register right away once the link is received as courses are first come, first serve in terms of enrollment. We do not guarantee registration in any course except in the case of the Business & Entrepreneurship Program (in the three required courses for students who are officially in this program) and in the required Internship Seminar for students officially in the Internship Program.

Course registration is monitored via the time stamp on the submitted form. Course registration is first come, first serve so students are advised to register as soon as possible after receiving the course registration link via email. Due to reasons of both course integrity and physical space limitations, there are sometimes enrollment caps placed on course enrollment for certain courses. On the Course Registration Form, students will be asked to select one alternate course and also to rank their choices in order of importance. If a student does not receive their first choice courses, they may be registered in their alternate course selection but then also can ask to be placed on a course waiting list if desired or select another available course.

Once students complete the official registration form, they will be able to view a list of courses received within 2 weeks provided they have completed mandatory online TAU Sexual Harassment Training (mandatory for all TAU students, staff and faculty to complete annually). Students will be emailed

instructions for completing this online training. Once complete, the courses can be viewed on the official TAU registration system (MAMTA) as well as on the TAU app. Students will also be emailed instructions as to how to create a TAU Student Account to view the MAMTA system and how to download the app.

There is a one week add/drop period during the first week of semester courses in which students can change their course selections as desired or as courses are available. After this period ends (for Fall 2019 it ends *Tuesday, October 29, 2019, at 5:00pm Tel Aviv time*) students cannot make any adds or course switches to their schedules and any drops after this date will have a W recorded on the TAU transcript.

Note: students with an outstanding balance on their TAU Student Financial Account will not be allowed to register for courses.

Hebrew Courses After Ulpan

If you are interested in continuing to take a Hebrew course after Ulpan as one of your semester classes, please note that registration for the Semester Hebrew courses will be done by your Hebrew teacher during the last week of the intensive Ulpan. If you are taking a Hebrew class, note that you can't change levels or classrooms during the semester without first consulting with the Hebrew Department (see Hebrew class regulations). Note that not all levels of Hebrew are offered during the semester; it will depend on student enrollment numbers.

Regular Courses Taught in Hebrew at TAU

Students whose Hebrew is good enough (through a minimum of Level 8/Hey Plus) and choose to take courses at the regular university, must complete a special registration form available at the end of this booklet (External Registration Form), in addition to the TAU International's registration form. For the schedule of these courses please click [here \(Hebrew\)](#). If a student decides to drop the course/s, it is extremely important that the academic office be notified. Failing to do so will result in "F" (fail) being recorded as the course grade. Students should note that the regular university semesters have different dates than study abroad. Please indicate on any test or paper taken at the regular university that you are a student of TAU International.

NOTE: STUDY ABROAD STUDENTS ENROLLED IN REGULAR TAU COURSES CANNOT TAKE EXAMS ON DIFFERENT DATES THAN ISRAELI STUDENTS, NOR WILL THEY BE ALLOWED TO LEAVE THE PROGRAM EARLY. STUDY ABROAD STUDENTS REGISTERED TO REGULAR TAU COURSES WILL NOT BE ALLOWED TO EXTEND THEIR STAY IN THE DORMS PAST THE STUDY ABROAD SEMESTER END DATE.

Withdrawal from Courses

For students who drop a course **after** the drop deadline of *Tuesday, October 29, 2019, at 5:00pm Tel Aviv time*, (W) Withdrawal will be recorded on the final transcript.

Pass / Fail Grading Option

Students may register for one semester course on a Pass/Fail basis providing their home school approves of this. At TAU, above a 60% is considered a PASS and a 59% and below is considered a FAIL. It will be important for students to mention this to their home schools when checking on approval. Students are required to report this Pass/Fail decision in writing (email) to the TAU Academics Team at tauiacademic@tauex.tau.ac.il. Final Date for informing the team of your P/F choice is *Thursday, November 14, 2019 at 5:00pm Tel Aviv time*. This does not include Ulpan, which cannot be taken Pass/Fail.

Again, universities have different policies about the acceptance of Pass/Fail grades. Students must consult with their home university advisors regarding the acceptance of Pass/Fail grades instead of letter/number grades. Home schools may have different policies and deadlines for Pass/Fail grades and the ability to transfer these back to the home school.

Once a Pass/Fail grade is entered into a student's record at TAU, it can never be changed to a letter grade, and vice versa.

Incomplete Courses

Students who fail to complete any of the course requirements during the period of instruction and/or the given deadline for the submission of a final exam (in cases of take-home papers or exams) will have an (INC) Incomplete recorded on their transcript. The INC will automatically change to an F (Failure) after six weeks beyond the last date of the course in cases where course requirements are not completed by this time. The six week INC “grace period” first requires the approval of the professor and TAU International; it is not granted automatically. It is the responsibility of the student to notify both the professor and the TAU International Office of the reason for the incomplete and the estimated date of completion within the six week INC period. If the professor and the Academic Committee agree, a student may go on to complete the course requirements; the incomplete grade (INC) will be changed accordingly should requirements be met satisfactorily within the six weeks grace period.

Grading System

The following is the grading system of Tel Aviv University International:

A+ = 97-100%	B- = 80-82%	D = 63-66%
A = 93-96%	C+ = 77-79%	D- = 60-62%
A- = 90-92%	C = 73-76%	F = 59% and under
B+ = 87-89%	C- = 70-72%	
B = 83-86%	D+ = 67-69%	

Code of Honor and Academic Integrity

Students are expected to abide strictly by the Tel Aviv University and Tel Aviv University International Code of Honor:

Students in the program are expected to act with integrity and honesty and hold their fellow students to the same standard. As such the school and university administration will not under any circumstance tolerate cheating, plagiarism, fabrication, aiding and abetting dishonesty, falsification of records and official documents or any other act which could compromise a student's academic integrity.

Plagiarism: Submitting material that in part or whole is not entirely your work without attributing those same portions to their correct source.

Cheating: Using unauthorized notes, study aids or information from another student, student's paper, or student's electronic equipment (including but not limited to: phones, computers, and blackberry's) on an examination; altering a graded work after it has been returned, then re-submitting the work; allowing another person to do your work and submitting that work under your name; or submitting identical or similar papers for credit in more than one course without getting prior permission from the course instructors.

Fabrication: Presenting data in a piece of work that was not gathered in accordance with guidelines defining the appropriate methods of collecting or generating data and failing to include a substantially accurate account of the method by which the data was gathered or collected.

Aiding and Abetting Dishonesty: Providing material or information to another person with knowledge that this material or information would be used improperly.

Falsification of Records and Official Documents: Altering documents affecting academic records; forging signature of authorization or falsifying information on an official academic document, grade report, or any other document designed to ensure that a student meets or gains exemption from a program or university regulation.

Should a student violate the Code of Honor, the administration will review their case. This may lead to termination from the program, and expulsion from Tel Aviv University.

Right to Appeal

Students have the right to appeal the results of a written examination or paper within two weeks from the day the papers or exams are returned. If there has been no appeal during that period, the grade is final. In addition, students have the right to appeal a final course grade within two weeks from the day the final grade is given. If there has been no appeal during that period, the grade is final. To understand more about the appeals process, please contact the TAU Academics Team at tauiacademic@tauex.tau.ac.il.

Learning Accommodations

In accordance to University guidelines, students with learning disabilities or accommodation requests must submit official documentation from their home country / university (translated into English by notary) to TAU International in advance of arrival describing in detail any specific needs they have. Students must also bring a copy of this documentation with them on-site and give it to their faculty on the first day of class while introducing themselves so that the faculty know who they are and what sorts of needs they may have. TAU International and its faculty cannot guarantee that all accommodations received at the home school can be similarly met at TAU but certainly does the best it can to make any suitable accommodations possible that are needed.

The Division of Foreign Languages at Tel Aviv University offers tutoring in English for students with special needs. For more information, please contact Elana Spector-Cohen, Head of English Programs, Division of Foreign Languages at espector@post.tau.ac.il.
