

DIGITAL OPEN HOUSE

November 1 & 2

Choose from 5 different sessions and get started on your path of non-stop discovery at TAU International!

- Hop in to advising sessions with our regional advisors and ask questions about academic gap, study abroad, language, and short term programs.
- Meet with your degree program advisors and faculty and ask questions about our undergraduate programs.
- Not sure what you want to study? You can speak with our regional advisors who will be happy to guide you.

Note: make sure you're registering for the correct session(s) by reviewing the schedule according to your interest and region.
